More about the program:

There will be a short briefing before we start walking the halls of the Capitol. We will stay together as a group the entire morning and do our best to have you spend a few minutes with both your state senator and state representative to either start a new relationship or strengthen an existing one. We won't ask you to discuss current legislation. We want you to just chat with your member about issues facing your community. Depending on the date you select, we will either sit in on a committee meeting or in the gallery to watch the action on the floor. Once we have finished at the Capitol, the OBA Government Relations Team will take everyone to lunch to discuss the events of the morning.
